DETAILED ACTION

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

Claim 1, is allowed. The prior art discloses a multiple access communications system comprising of one primary station and a plurality of secondary stations transmitting return signals within a given frequency band using the entire band.

The prior art however fails to disclose or suggest means for mapping return signals in a **low noise part** of the return signal frequency band onto the whole of the return signal frequency band.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
